Comments: PLEASE protect our precious wildlife such as bighorn sheep, lynx, moose, wolverines, etc when you conduct your assessment for the Targhee expansion.

I live in Teton County (Moran, WY).

I am so sad to see the lack of protection of our precious wildlife. Our state lacks a focus on wildlife protection, and all of the laws seem to favor ranches and expansion--not wildlife.

THANK YOU FOR YOUR CONSIDERATION!

Best regards,

Sue Pepe
