First name: Martin

Last name: Tollman

Organization:

Title:

Comments: The Grand Targhee proposal should be approved. As a major employer for the region, and a popular tourist destination, it is very important for the local and regional economies. Furthermore, ski resorts are one of the most "green" and environmentally sustainable industries on our public lands. Grand Targhee has a proven record of protecting the land through recycling, education and public transportation initiatives. Please, for the benefit of all, approve their master plan as proposed.
