First name: Sean

Last name: Mccurdy

Organization:

Title:

Comments: E bikes should NOT be allowed. Right now it's the honor system that class II and III e bikes are regulated and only using pedal assist but these guys are still flying. I'm 22 years old and a mountain biker. They ruin trails, give us a bad rep, and we have to get off the trails to let them pass because they fly going 25+ mph. They ARE MOTORIZED VEHICLES. They belong with the Moto bikes!
