Comments: Thank you for the opportunity to submit my comments.

I am opposed to allowing e-bikes on non-motorized trails. E-bikes are motorized vehicles and should be treated as such. Allowing a motorized vehicle on a non-motorized trail changes the status of the trail and should be treated on a case-by-case basis taking into consideration impacts to wildlife and the environment.

E-bikers have many, many opportunities to enjoy trails which are currently open to motor vehicles.

Thank you for your consideration.
