First name: Annie

Last name: Saville

Organization:

Title:

Comments: Please keep Forest lands peaceful. E-bikes are disruptive to wildlife and wild land. E-bikes do not promote tranquility. They are the opposite of what a nice walk in the woods is about. People do need a place to get away from it all and that is best done quietly and under our own power. The place for E-bikes is on paved streets and bikeways. Please take a walk in the woods and listen to the quiet. Thank you.
