Data Submitted (UTC 11): 10/21/2020 6:27:35 PM First name: Margaret Last name: Schulenberg Organization: Title: Comments: I urge you to withdraw the proposal to open more National Forest trails to e-bikes.

E-bikes are disruptive to the local fauna as well as to visitors enjoying the National Forests.

We need places that are not accessible to motorized vehicles of any sort.

I urge you to reject this proposal.
