Comments: please do not allow E-BIKES into --onto your national parks . the use of e-bikes will lead to further encroachment of the park system--more harassment & loss of wildlife habitat.--more human excrement pollution in the surface water hydrology,--possible poaching of endangered species,--the spreading of invasive species from one area to another,--possible spreading of human diseases like covid-10 to the wildlife & other people,--people leaving garbage behind , & food attractants for bears leading to bad bear -people encounters, wherein the bear-s get needlessly killed off because they were food conditioned. Thank You for considering my submission,--Have a Good Day.
