Comments: When I go for a hike, I do not want bikes, let alone ebikes, zipping around and possibly running me and other Wildlife down in the process. The extra noise is not welcome either. This is a disastrous idea.

American Citizens deserve better and OUR voices need to be heard above the destructive nature of the Trump Administration, Greedy Corporations and rampant Ignorance.

We ALL need to protect these extraordinary places and ALL WILDLIFE who inhabit these places, in order to remain connected to this earth, it is not only about the salvation of the planet, but it is also about the salvation of ourselves.
