Comments: AS A HANDICAPPED INDIVIDUAL WHO ONCE WAS AN AVID HIKER CYCLIST, THIS PROPOSAL TO OPEN TRAILS TO BICYCLES AND E-BIKES WILL DESTROY THE QUIETUDE AND AMIBIANCE OF THE GREAT OUTDOORS, BESIDES CREATING A NUISANCE BOTH FOR THE PRISTINE ENVIRONMENTS AND PARK STAFF. WITH THE TRUMP STAFF REDUCTIONS, WHERE WILL THE PERSONNEL AND MONEY COME FROM TO CLEAN UP ALL THE WASTE CREATED BY THE MANY TOURISTS IT WILL ATTRACT.

IN LIGHT OF THE PANDEMIC, AND THE CURRENT POLITICAL SITUATION, THIS IS ANOTHER HAIRBRAINED SCHEME TO OPEN UP WILDERNESS AREAS TO TOURIST, THEN MINERAL EXPLOITATION. DON'T DO IT.
