Comments: E-bikes must not be treated any differently from any other motorized vehicles. ALL TRAILS AND AREAS OFF LIMITS TO MOTORIZED VEHICLES MUST STAY THAT WAY; E-BIKES ARE A HAZARD TO THE PEACE AND WELL-BEING OF THE NATURAL AREAS. Please do not reclassify e-bikes to allow their expanded use. E-bikes can and must be enjoyed where it is appropriate for their use - ON STREETS BUILT FOR MOTORIZED VEHICLES, and that does NOT include wilderness areas. Even mountain bikes that are not motorized are a threat and nuisance to wilderness and wildlife. E-bikes are even worse and are motorized. Please DO NOT ALLOW THE EXPANSION OF BIKES OF ANY KIND, ESPECIALLY MOTORIZED BIKES, IN OUR NATIONAL FORESTS. Please do the right thing and do not expand traffic of motorized vehicles of any kind on the national forests. Thank you for hearing my views.
