Comments: Once it use to be the rule that our parklands were supposed to be *protected* & *cherished* & *respected*!

It is no longer like this, more land has been sold to different companies to mine, oil & pollute* Last year more *WILDLIFE* were killed many in very *CRUEL* ways by our own government!

We are in *SHAME* that we all let this happen!

BLESSINGS for *GOODNESS* & *KINDNESS* & *RESPECT* for *ALL* together!
