Comments: I would like to see the use of e-bikes restricted to forest dirt roads only. I don't believe e-bikes belong on trails because with the assistance of electricity, these bikes have more torque and would be more destructive to the trails, tearing them up and leaving ruts as well as turning the dirt into a powder fine dust. For these reasons I ask that you please leave trails open to hiking and mtn. biking only.

Thank you for your time.
