Comments: If you haven't ridden a class 1 e-bike, I suggest you try it. I don't see how a class 1 e-bike is in the same category as a motorcycle.

Please reconsider how to allow class 1 eMTBs on select non-motorized trails while retaining a trail's non-motorized status, similar to the recent Department of Interior final rule. The final directive can be further improved by following the International Mountain Bicycling Association's management recommendations: managing the three classes of e-bikes separately from one another, and prohibiting class 2 and class 3 eMTBs on natural surface, non-motorized trails.

Thank you!
