Comments: I've watched the Farmington NM BLM office turn a blind eye as motorcycles and Razors tear up the public land and destroy long established trails. They do absolutely nothing to enforce illegal dumping and shooting. Meanwhile they ignore avid mountain bikers, discourage them from building new trails, and they waste hundreds of thousands of dollars to pay people who have no idea what they are doing to build soulless trails. If they can't enforce rules on motorcycles and OHVs, why bother to create regulations on ebikes?
