First name: Ann

Last name: Michels

Organization:

Title:

Comments: Thank you for the opportunity for the public to engage on FSM 7700 and 7710,.

Mountain bikers appreciate the leap in technology presented by eMTBs , please allow eMTBs on all trails. This new tech will get more people on bikes and that's what we want ,isn't it?

Sincerely,

Ann Michels, Mankato,MN 507-351-2660
