Comments: Thank you for the opportunity for the public to engage on FSM 7700 and 7710, which would revise Forest Service directives to update and clarify guidance on management of electric bicycle (e-bike) use on National Forest System lands.

I am 67 years old and have some health issues that make it difficult to ride a non-electrical bicycle.

Please allow class 1 eMTBs on select non-motorized trails while retaining a trail's non-motorized status, similar to the recent Bureau of Land Management final rule.

Thanks,

James Pinsky
