Comments: Hello -

I'm writing in response to proposed rule changes concerning eBikes on USFS trails. I'm a frequent user of USFS trails, motorized and non-motorized. I also volunteer time to build and maintain trail in my area.

I understand that new rules could jeopardize the current status of some trails and the funding for non-motorized trail systems. For this and other reasons I do not support USFS's proposed motorized classification of e-bikes.

Instead, I recommend;

Adopt Class 1 e-bikes as non-motorized transportation.

Adopt Class 2 and 3 e-bikes as motorized transportation.

Allow Class 1 on non-motorized trails upon completion of an environmental review and public comment process, driven by local forests and/or districts.

Prohibit Class 2 and 3 on non-motorized trails.

Thank you for your consideration.
