First name: Deanna

Last name: Herron - Aurdahl

Organization: MTB

Title: Participant / Student Biker

Comments: We will lose our maintenance funds once trail become used by motorized bikes.

A multi-use trail with motorized bikes, hikers and equestrians lose a non-motorized funding.

It will add to consumer confusion on where eMTBs can go.

Locally, eMTB access on Forest Service trails will not align with WA state law, which classifies e-bikes as non-motorized.
