Title:

Comments: I strongly support below measures. As a mountain biker this is important to me and to the generation to come. I suggest following solutions:

Adopt Class 1 e-bikes as non-motorized transportation.

Adopt Class 2 and 3 e-bikes as motorized transportation.

Allow Class 1 on non-motorized trails upon completion of an environmental review and public comment process, driven by local forests and/or districts.

Prohibit Class 2 and 3 on non-motorized trails.

Encourage programmatic NEPA review of eMTB impact on non-motorized trails, at the District, Forest or Regional level, to ease the review burden on a trail by trail basis.

Approach eMTB access by using a "Closed Unless Signed Open" basis.
