In consideration of OLDER eMTB users who are unable to ride regular mountain bikes on USFS managed trails. Your final directive must reconsider how to allow "Class 1 eMTBs" on "select" non-motorized trails while retaining a trail's non-motorized status, similar to the recent BLM final rule that mountain bikers helped shape.

Here in Colorado, Class 1 eMTB's are legally "Non-Motorized"-let State Law rule. Do not impose Federal rule when the State has it handled.

Thanks for your consideration of all ages of USFS users.
