Comments: Thank you for the opportunity to submit comments to your proposed new rules 7700 & 7710. As a mountain biker, I am opposed to sharing the trails with e-bikes on what are now considered non-motorized trails. Many trails in our area are fragile, narrow, and technical. Allowing e-bikes to use these trails would damage trails and also pose a safety hazard to bikers and hikers alike due to their speed.

E-bikes should fall into the same category as motorcycles and ATVs when it comes to trail usage.

Thank you,
Sheila Danielson
