Comments: The following comments are suggested corrections to the Draft Plan.
1) Page 11 map, please add the City of Sedona to the map.
2) Page 141, 2nd paragraph under Dispersed Recreation: Please remove reference to the 1996 Sedona Urban Trails and Pathways Plan, which is outdated and no longer relevant. It is also not clear as to what the "Redrock Trails Plan" is.
Thank you for considering these suggested changes.
