Comments: Dear Sirs,

Because there is almost no enforcement now for trespass, illegal off-trail riding, and illegal trail development by some bikers, e-bikes will increasingly trespass into Wilderness and other protected areas with no consequences.

This illegal use will degrade the wild character of these lands and should not be encouraged as this rule will do.

This proposed rule suggests likely environmental impacts that should be fully evaluated through an environmental impact statement (EIS) under the National Environmental Policy Act (NEPA).

Thank you.
