First name: Edward

Last name: Hatcher

Organization: Pittsboro Bicycles LLC

Title: Owner

Comments: I applaud the proposed ebike regulations and policies. Thank you for recognizing that ebikes are indeed motorized vehicles that should be regulated separately from human powered vehicles. Speeds, trail impact, and environmental friendliness are all impacted when motors are added to a bike, and there's a slippery slope once motors of any sort are allowed on a trail system. I hope you'll adopt the ebike regulations as currently written.
