First name: Phillip

Last name: Cuenca

Organization:

Title:

Comments: An E bike makes NO noise or pollution. It shouldn't be subject to the same limitations as motorcycles and ATVs.

I think they should be allowed on some but not all mountain bike trails until we know  
The impact on the trail, vegetation, etc.

No one would ride an ebike with motorcycles on same trail. They would run you over.

Really, they deserve a subset of MTB trails.
