Title:

Comments: PLEASE RECONSIDER THIS HORRIBLE DECISION! MANY OF US TURN TO USFS, BLM, AND OTHER PUBLIC LANDS FOR SOLITUDE AND CONNECTING TO NATURE - THIS IS OUR RIGHT, AND EBIKES DETROY THAT TRANQUIL, PEACEFUL, PEDISTRIAN EXPERIANCE. FURTHER, EBIKES WILL SPOOK LIVESTOCK AND WILD ANIMAL POPULATIONS, DISRUPTING MIGRATION, BREEDING, AND BIRTHING. YOU ABSOLUTELY MUST TAKE PUBLIC INPUT ON THIS MATTER AND LISTEN CLOSELY TO ALL OF US - YOUR AGENCIES WORK FOR US AND IT'S NOT YOUR PLACE TO TAKE THE SOLITUDE AND REACE OF NATURAL PLACES AWAY FROM US.
