

Data Submitted (UTC 11): 10/25/2020 10:04:52 PM

First name: Robin

Last name: Vaughan

Organization:

Title:

Comments: Please do not allow e-bikes on the National Forest Trails. Allowing this motorized vehicle will impair the other authorized uses to include horseback riding and hiking. Any motorized vehicle will be alarming to horses and cause unsafe conditions for both the rider and the animal. The noise, smell, and speed will bring fear to most horses plus allowing this motorized bike will open the door for others to want access. E-bikes should be used on venues designated for motorized vehicles.
