Comments: FEED BACK ON THE TRAIL USE IN GENERAL. VERY WELL EXPLAINED ABOUT THE FUNDING AND HOW IT IS MOTORIZED VS. NON MOTORIZED. THANK YOU. IF THERE IS A WAY TO CLASSIFY CLASS 1 EBIKES AS NON-MOTORIZED WITH AN EXEMPTION OF SOME SORT, THAT IS THE WAY TO GO. PEDAL ASSIST EBIKES SHOULD BE ALLOWED EVERYWHERE NON ASSISTED BIKES CAN GO. ALL THOSE THAT ARE OLDER OR BEEN INJURED OR HAVE CONDITIONS THAT MAKE CLIMBING AND RIDING TOO DIFFICULT SHOULD BE AFFORDED THE SAME ACCESS. I DO KNOW MANY THAT JUST CAN'T PUSH THE GEAR ANY LONGER BUT LOVE TO RIDE, ONE BEING MY FATHER. HE LOVES HIS BIKE AND BEING ABLE TO GO WITH US AGAIN IS PRICELESS.
