First name: Michael

Last name: Ormandy

Organization:

Title:

Comments: Please do not allow e-bikes special status to be used on non-motorized trails. I recreate all year long on our public lands and appreciate the diversity of usage regulations. I often travel by truck or snowmobile when I'm on Forest service lands, but I also enjoy areas that move a little slower. Please chose to protect the peace we find in these special places.

-Michael
