First name: Carol

Last name: Ruckdeschel

Organization:

Title:

Comments: Please, please, keep ALL bicycles out of Wilderness, especially e-bikes. Hiking and looking for animal tracks is wonderful, but not animals tracks overlaid with bike tracks. Nor is it appropriate to have someone zoom by you on a trail, scaring all the wildlife you might see and destroying your sense of isolation and rapport with the forest.

This is a NO-BRAINER folks!!! It will not be Wilderness with any mechanized transport allowed.
