First name: Robin

Last name: Martinek

Organization:

Title:

Comments: People go out into the forest for peace and quiet and tranquility. I love to hear the wind through the trees, the water in the creeks and the birds. If I'm hiking or on my horse I don't want to have to worry about coming upon an electric bike. Regular bikes are hard enough when you're on a horse. Please reconsider and only allow non-motorized bikes.
