Data Submitted (UTC 11): 10/26/2020 5:23:04 PM First name: Jet Last name: BENJAMINSON Organization: Title: Comments: I support the USFS classifying e-bikes into 3 categories.

-Class 1, pedal-assist to 20mph -Class 2, throttle assist to 20mph -Class 3, pedal-assist to 28mph.

I support keeping e-bikes classified as non-motorized, as long as they are under 1 hp (750 watts)

I support class 1 bikes being allowed to travel wherever non e-bikes are allowed!
