First name: Bobbie

Last name: Harden

Organization:

Title:

Comments: I do not agree that e-bikes should be on the trails..Bikes move fast enough on the trails as is but do not have a problem with them most are respectful of horses & hikers but the e- bikes will travel to fast & will be a big danger to all.. there is no one out there to protect the users of the trails in the forest to keep all safe so just NO.. Bobbie Harden
