First name: Bobbie Last name: Harden Organization:

Title:

Comments: I do not agree that e-bikes should be on the trails..Bikes move fast enough on the trails as is but do not have a problem with them most are respectful of horses & problem; hikers but the e-bikes will travel to fast & amp; will be a big danger to all.. there is no one out there to protect the users of the trails in the forest to keep all safe so just NO..
