Comments: As a senior citizen and avid outdoors person I wish to make my voice heard.

My husband and I have owned Ebikes for over 3 years now. The technology of Ebikes have helped us in numerous ways. We ride more, we exercise more, we explore more. As taxpayers we feel that all areas should be open to those of us who may not be able to enjoy certain areas without our Ebikes. People are NOT reckless on these bikes. OPEN UP the trails to ALL please.
