First name: Harry

Last name: Taggart

Organization:

Title:

Comments: The form fields are not working! I am Harry Taggart, Mountain Home, ID (skip.taggart@gmail.com) and I oppose allowing Ebikes on equestrian forest trails. They are too quiet and pose an imminent danger to horseman due to sudden spooking of horses in remote environments that could result in lost horses, human and horse injury or even death. Confine Ebikes to trails not used by equestrians.
