

Data Submitted (UTC 11): 10/26/2020 10:50:31 PM

First name: Margaret

Last name: Stillwell

Organization:

Title:

Comments: As a hiker/walker with a disabled/deaf husband and as an equestrian, I am against any kind of powered vehicles on the trails. E-bikes are faster, quieter (not good for horses) and more prone to accidents and damage to the trails
