Comments: Equestrians are losing access to trails rapidly to only see them handed over to mountain bike users. I am an active trail rider and very respectful of nature. In Enumclaw we have lost trails as more and more land is being developed, sold or trails just closed. Please keep in mind as you make decisions for use to keep a place for us as, for many, trail riding is a passion and what I look forward to when I retire in 2022. We have lost so much already, don't take more away just because you can!

Thank you
