

Data Submitted (UTC 11): 10/27/2020 12:44:27 AM

First name: Elaina

Last name: Maze

Organization:

Title:

Comments: As an equestrian who travels the country and utilizes these trails frequently I am strongly opposed to any motorized or e-vehicles. This is dangerous to my fellow equestrians and horseback riders. Motorized vehicles of any kind will ruin the peace and serenity that is the reason why we use and financially support these trails.
