

Data Submitted (UTC 11): 10/28/2020 6:56:00 PM

First name: Noah

Last name: Hall

Organization:

Title:

Comments: Using a utilitarian view, this mining project will not do the most good for the most amount of people.

This river is used by many people to enjoy the public lands. It is also a driving force in Idaho's economy, bringing many people to the state. Please do not start a mining operation here.
