Comments: I am writing to comment on the Stibnite Gold Project EIS#50516. This Project should be rejected for many reasons.

The DEIS indicates this project will adversely affect water quality, fish and wildlife. Endangered fish including Bull Trout, Chinook Salmon, Steelhead, Cutthroat Trout as well as Wolverines will be adversely affected by this project.

Also, this DEIS does not adequately satisfy NEPA regulations because the alternatives are narrow in scope and they rely on incomplete analysis.

Please reject this project. Thank you for your consideration of my comments.
