Comments: Hi my name is Russell Stumph, I am 15 year old and have been kayaking for three years now. Last summer I was lucky enough to run the South Salmon section. This was a life changing experience and the funniest stretch of whitewater I have ever ran. The wildlife and the clear blue water is unlike any other river I have ever been on. When I kayaked the south salmon it gave me a hole new level of respect for kayaking. I really hope to run this river a lot more in the future and really hope it continues to stay as Beautiful and remote as it is.
