Comments: Dear Supervisor Jackson,

I hope you will take into account that several commenters over the past few weeks have had access issues regarding the DEIS: not being able to open parts of the DEIS, in particular Ch. 3, Ch. 4 and Appendix N on any given day, poor internet connectivity, and instances of links not working on the Forest Service website. Thank you for acknowledging the incredible amount of work citizens have gone through to meaningfully comment on the DEIS, despite the many obstacles and limited amount of time.
