Comments: My name is Gerry Moffatt. I am Scottish filmmaker, Idaho resident of 32 years and expedition leader for National Geographic.

I first kayaked the South Fork of the Salmon river in 1989 when I arrived in Idaho from Nepal.

I am requesting the extension of the comment period to the full 120 days due to the following reason. I am in the high risk category for the Covid 19 virus and thus at a disadvantage in terms of traveling and communicating with experts specific to the case.

Thank you very much for your hard work and for reading this necessity of action in extension of the comment period to 120 days. Please confirm receipt of this message.
