Comments: This is the DUMBEST idea ever, which is why it is so likely to come to fruition. People are stupid. Many people equals more stupid. Many people who have no concept of the value of keeping wild things undeveloped, even more stupid. Why is it when something man has created is damaged, it is called vandalism, but when something God has created, it is called development?

STOP THE INSANITY. STOP THE STUPID FRICKIN' COASTER IDEA. ENOUGH DEVELOPMENT IS ENOUGH. SANDIA TRAM COMPANY CAN EAT MY SHORTS.

Sincerely, Ed
