Comments: As a longtime resident of Teller County, I am strongly opposed to shooting on Rampart Range Road. Two times this last summer, I have felt very unsafe as people were shooting as I was riding my bike. Once, I actually heard bullets overhead. Another time I witnessed people shooting with not backstop. Their bullets were going far away, not knowing what or who was in the following hillsides about 3/4 of a mile away. One time, I witnessed a group of younger men, drinking and trying to shoot down trees. Another time, I witnessed two men shotting glass light bulbs and a TV set (with not backstop). The following week, their trash and broken glass were still at that site, causing environmental damage and wildlife danger.

I will not let my wife or teenage children ride their bikes in this area because I feel it is very unsafe. I implore you to seriously address this problem.

Respectfully,

Eric Cefus
