Comments: Regarding Pikes Peak, National Forest area Mount Herman road area, all Target shooting in this area should remain no shooting allowed.

Prior to the no shooting allowed I was almost shot twice, many of the locals almost got shot as well, a good friend did get shot, the area is safer in the last few years for everyone. I spend 2-3 days a week in this area and it is safer for all. Please keep this area closed to all Target shooting. 25 year active member of FOMP, trail committee. as well as many of the Colorado Springs Trail org's. Thank you Art Fuellenbach
