Comments: Sirs, As a life long rifle shooter, NRA Certified Rifle, pistol, Black Powder and Range Safety officer and a 4H State Training Team in those disciplines I applaud your efforts in this area. What I saw left out was POSITIVE AFFIRMATION of cleanup to the participants of such ranges i.e. signs encouraging "bring a target, take a bag or box of trash and shell casings home. I have been at this since I moved home from the navy in 1978 = Gold Camp road and Rampart Range ranges in the NF were utilized a lot by myself and sons - we ALWAYS took more trash home than brought. Such implementation of cleanup should be CLEAR on signage AND a phone # to "catch a litter-er" as in the "operation game thief" for Dept. of Wildlife for poachers. Littering in such range areas is JUST AS CRIMINAL as poaching in my opinion.

Thanks for coming up with a plan - what about one for Larmier County?!
