First name: Albert

Last name: Morgan

Organization:

Title:

Comments: I have been to a few shooting sites and seen the damage and unsafe shooting. I now use Co parks and wildlife shooting ranges. Most I believe are maintained by volunteers. They are set up for safe shooting and are being updated for convenience as money is approved, examples target holders, benches and berms between shooting lanes. I go to Hot Sulfer Springs, Hayden and up by Vega State park the most.
