Comments: Comments regarding Turkey Tracks Plan-

We own and operate Rainbow Falls Mountain Trout, a neighboring facility just East of Turkey Tracks. After review of the site plan, many of our concerns are addressed. Some points that I think are important to consider:

1. Provide additional Law Enforcement presence to enforce rules.
2. Close FS343 to any access from the West (Painted Rocks Road).
I am a regular OHV user in this area, this trail is not necessary to the local OHV trail system. Maintain access to Turkey Tracks thru the current eastern entry point from Hwy 67 ONLY.
3. Mandate daytime use only.
4. Mandate specific target types. NO TV sets, washing machines, etc. allowed.
5. Mandate ammunition and targets be non incendiary.

Although as a close neighbor, the past uses have been bothersome...trash, night shooting, noise, and frequent fires, I have always, and still support the use of this area as a public shooting range. As you are aware, people will go shoot somewhere, this is the best location to minimize fire hazards and resource damage in our area. Please keep it open, and I applaud your planning and management efforts.

Thank You-

Richard Johnson
